Newsletter Summer Term

Friday 20th May 2022

Message From the Headteacher.

Many of you may have noticed that posted in the Temple Herdewyke Community page is a job advert for Nursery Manager - which was made live a day early; a day before we could send our weekly newsletter out. Last week, after much contemplation, Michelle decided to hand in her resignation, so she could spend more time being a mum. Michelle has been the heart and soul of nursery and is an excellent manager. Through her leadership, she has created and led an amazing nursery team - and through their hard work, dedication and tireless effort the nursery has flourished. She will leave a huge hole in the school community, and will be missed by parents, staff and children.

We are now recruiting a new manager for the Nursery for September.

Belgrade Arts Festival

The Year 5 and 6 children will be putting on a performance at the Belgrade Theatre on the 21st June! We have had a sneak peak at some of their work for this event and it is looking **brilliant!**

Please follow this link for more details (you may need to copy and paste)

Bikeability

Falcons class will be doing Bikeability next week. Sessions will take place Monday-Thursday and because of this, Falcons will not be swimming on Thursday 26th May. Children will need to bring their own bike and helmet to school on each day. School uniform is still required this week, but please make sure children have a waterproof in case it is raining. We will still go out in the rain!

Jubilee Celebrations

Next week we will be celebrating the Queen's Jubilee on the Friday 27th starting with our special Jubilee lunch! We will be having a street style party in the playground. Don't forget to book your child's lunch.

In the afternoon, the children will be celebrating with Jubilee activities in their classes!

Nursery released the butterflies today!

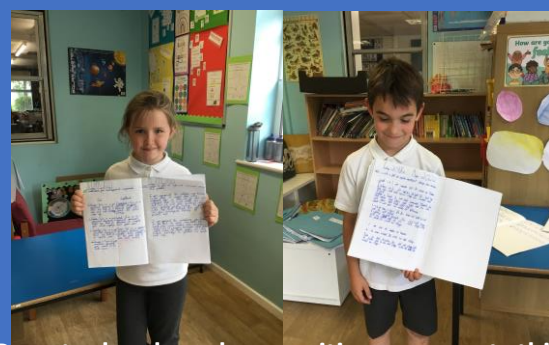

We all gathered around to watch them fly away. A few of the children held them before they left.

Reception class had their first ICT lesson today in the computer suite. Creating their own masterpieces and showing their friends. Lovely work Robins!

Kingfishers have designed and painted rollercoasters this week. Some of these designs look incredible.....and terrifying!

Parrots class have been writing arguments this week for and against the death of a character in the book they have been reading as a class. Some of the writing has been very persuasive with some strong opinions being recorded.

Falcon's have been developing their javelin technique in PE this week. To start with they use sort foam darts called howlers. Some threw a very impressive distance. Great effort year 5's and 6's!

Inspire. Challenge. Succeed
