TEMPLE HERDEWYKE
PRIMARY SCHOOL

Farewell to our 'Lockdown Leavers'.

Today is the last day of school for our small Y6 team. They have shown great resilience throughout this difficult time. On their journey through our school these pupils have always been a credit to their parents and they have a lot to feel proud of. We would like to wish them all the very best as they progress to High School and I know that they will continue to be a great success.

School surveys

Stowe Valley MAT have issued a number of surveys that they would like us to complete.

The **Parent Survey** link is below. Please note that this needs to be completed by 5.00 p.m. on Tuesday 7th July 2020

They have also issued a **Pupil Survey** and this needs to be completed by Thursday 9th July. Some pupils have already completed this in school. Please ask your child if they have had the opportunity to do this as we would like to avoid pupils making two entries. The link to the pupil survey is below:

We will share the results from these surveys when they are issued.

Opening School in September Inset Days

As you may know, the Government have decided to open schools to all pupils in September. We will be planning to welcome all pupils back in September and we will share our plans with you all before the end of term.

We will also be considering whether we can open the before and afterschool club and again, we will share the decision on whether to open this facility with you before the end of term.

In order to prepare for September opening, Stowe Valley MAT have decided ask all of their nine schools to close on Friday 17th July for an additional Inset Day. The decision to close the school will only affect our key worker children who were due to attend that day. Our nursery will be open on 17th July in the usual way.

Inset Day: Friday 17th July
(School closed to all pupils, nursery open as usual).

Inset Day 2020-21

As usual, we are allocated 5 Inset Days throughout the school year.

Inset Day 1 - Tuesday 1st September 2020
